

# 2016-2017 HUNTING, FISHING AND GENERAL RECREATION REGULATIONS

## Tyndall Air Force Base (AFB), Florida

### ACCESS

1. Tyndall AFB (TAFB) is open to DoD and non-DoD personnel (as defined below) for the purposes covered by this regulation. Access to base is strictly limited for those intended purposes.
2. Herein, **DoD personnel** are defined as Active Duty Military, Reserve, National Guard, DoD Civilians, Retired Military, Retired DoD Civilians, their dependents, and DoD Contractors with a current DoD identification card with base wide access. Individuals who are members of the public and are not affiliated with the DoD are herein referred to as **non-DoD**.
3. All DoD and non-DoD personnel participating in hunting and fishing (except DoD personnel while salt water fishing from shore) must have a current permit (see TAFB Permit section) and a picture ID with them at all times and provide them to Air Force Law Enforcement (Security Forces or Conservation Law Officer) upon request. Non-DoD members wishing to participate in recreational activities on TAFB must have a current recreational permit. Non-DoD members accessing the West Unit require a Defense Biometric Identification Data System (DBIDS) identification card, which is issued upon completion of application and background check by the Security Forces Visitor Control Center (Visitor Center, open Monday-Friday, 7:30 AM – 4:30 PM), Building 2580, located at the intersection of Highway 98 at Sabre Drive. However, this DBIDS requirement does not apply to areas outside of the controlled perimeter (East Unit, Bonita Bay, Shoal Point, and DuPont Bridge Boat Launch). NOTE: DBIDS will only be issued to those individuals once they complete the recreation permit through the Natural Resources Office, Building 1260.
4. TAFB permits/DBIDS cards may be revoked at any time for any violation of federal, state or county law, or violation of TAFB regulations, or for any reason determined to be necessary or advantageous to the United States Air Force. Individuals, vehicles, boats, weapons, credentials, fish, game and personal property may be checked and searched at any time by authorized federal, state and military law enforcement personnel.
5. DoD personnel may **sponsor** (escort) non-DoD personnel (not to exceed two persons per sponsor when hunting) to participate in recreational activities conducted within the gated areas of TAFB as delineated in these regulations. Contact the Visitor Center for policies regarding sponsoring guests. Sponsors as well as guests must have appropriate hunting and fishing licenses, if required, to participate in those recreational activities. Sponsors are liable for the actions of guests and must remain in the immediate vicinity of sponsored guests.
6. All non-DoD persons over the age of 16 wishing to recreate in areas which require DBIDS identification cards must possess a DBIDS card as outlined above. Non-DoD adult personnel may not escort other non-DoD adult personnel. However, a non-DoD adult may escort up to three children under the age of 16.
7. Non-DoD personnel who are required to have DBIDS identification cards, as outlined above, but are found to not possess DBIDS cards will be considered trespassing in accordance with US Code (18 U.S.C. §1382). Also, any recreational users who are found in restricted or off limits areas, or are found in an area during non-access times are trespassing.
8. The right and authority to open or close any area at any time to outdoor recreation is reserved by the Installation Commander.
9. Entry into any areas marked as a "Danger Area" or "Closed Area" is prohibited.
10. The water areas in Crooked Island Sound adjacent to the explosives detonation range is designated a Danger Area during weapons firing operations. These water areas will be marked by red warning flags flown atop poles during danger periods. Entry into these water areas while warning flags are displayed is prohibited.
11. The water areas in Crooked Island Sound adjacent to the drone launch facility and the tips of Crooked Island East and Crooked Island West are designated Danger Areas during launch operations. To ensure a safe fishing or recreation day, please call 82nd ATRS/DOW at 850-283-4640 for that day's mission scheduling.

### ACCESS TIMES FOR GENERAL RECREATION (Refer to Hunting section for those times)

Personnel	East Unit	Buck Beach	Flightline	Bonita Bay/Shoal Point/DuPont Bridge Boat Launch	West Unit
DoD	24/7	Weekends/ Holidays Only	24/7	24/7	24/7
Non-DoD	24/7	Weekends/ Holidays Only	Not Permitted	24/7	24/7 (DBIDS required)

## HUNTING REGULATIONS

### General Hunting Regulations

1. All federal and state hunting rules, regulations and permit requirements apply, unless otherwise stated in these regulations. **Individuals participating in this program must meet all access requirements as stated in the ACCESS section of this regulation.**
2. Specific dates for hunting on TAFB will be established annually by the Installation Commander and made available as a supplement to these regulations. Hunting will be permitted on Fridays, Saturdays and Sundays during open seasons, except as indicated in the supplement. TAFB is closed to hunting on Thanksgiving, Christmas, and New Year's holidays.
3. The Hunting Check Station (Building 4027 beside Sabre Gate) opens at 4:30 AM beginning the first day of Archery Season and will be open every hunt day through General Gun Season. When the Check Station is manned, all hunters must check in at the Check Station before entering any Hunt Unit, and must obtain an appropriate Hunt Block pass. This pass must be attached to the rear view mirror and be visible from the outside of the vehicle.
4. Due to limited parking at the Check Station, hunters are required to immediately proceed to the appropriate hunt unit as soon as the pass is issued and vacate after checking back in.
5. All hunters are required to return to the Check Station no later than the posted check out time which shall be 1.5 hours after sunset. Pursuit of a wounded or downed animal must be terminated in time to make it back to the Check Station in time to check out.
6. Entry into the East Hunt Unit is through Silver Flag Road, Road 98F, and along Hwy 98. Entry into the Flight Line Hunt Unit must be through the open Flightline gate. Entry into the West Unit must be through the Sabre Gate. All West Unit Hunt Blocks except 4A-4E must be accessed via Boy Scout Road.
7. All game harvested must be checked at the Check Station. A full weight of deer is required so if field dressed, the entrails must be brought to the weigh station in a bag or other suitable container.
8. Failure to check in or out will result in the suspension of the privilege to hunt on TAFB for the remainder of the season.
9. **Air guns (for gray squirrels only), Shotguns, Muzzleloaders, Long Bows, Recurve Bows, Compound Bows and Crossbows are the only authorized weapons for use on TAFB. Shotgun ammunition for deer hunting is limited to slugs. During archery/crossbow season, crossbows may be used on the West Hunt Unit. Crossbows are only permitted during the Archery season in the Flightline and East Hunting Units with the possession of a disability permit issued by FWC. Crossbows may be used in all hunting units during muzzleloading, general gun, and small game seasons.**
10. Having a loaded weapon in a vehicle is prohibited. A loaded weapon is any shotgun with a shell in the chamber or magazine, or a muzzleloader with a firing cap in place, or a nocked arrow on a bow. Weapons must be completely encased and locked, zipped, or tied shut while in a vehicle; ammunition must be kept separate from the firearm.
11. No person shall possess any weapon, either assembled or disassembled, in TAFB areas closed to hunting or in TAFB hunting areas during a period in which hunting is not authorized. The only exceptions to this rule are that shotguns are allowed at the skeet range and bows are allowed at the archery range. If contacted by Law Enforcement, you must identify that you have a weapon on your person or in your vehicle.
12. Possession of a weapon other than a bow in a designated archery area is prohibited.
13. It is unlawful to take or attempt to take wildlife: 1) from, on, along or across any road shown on the current hunting map; 2) from 50 feet or less on either side of a road right of way; or 3) within 100 yards of a structure.
14. Still hunting is the only method allowed to hunt deer. Stalking is prohibited.
15. Parking along paved roads is only allowed next to the wood line, not the road shoulder. Parking along Sabre Drive, Beacon Beach Road and Heritage Parkway is prohibited. You must park in the designated parking areas off of each of these roads.
16. All hunters will obtain approval from Check Station operator before pursuing wounded game into any closed area or adjacent hunt block.
17. No person shall possess, place, expose or distribute any grain or other substance for attracting wildlife or take or attempt to take wildlife where grain or other substance has been deposited.
18. Driving a metal object into any tree, or hunting from a tree, in which a metal object has been driven, is prohibited. Strapped ladder stands, portable ladder stands, screw steps and self-climbers are permitted for use on trees.
19. A stand may be a climber, a ladder stand, or a blind. Hunters are limited to two stands in any one Unit, not to exceed four stands base wide. All stands must have the hunter's name and hunt year clearly labeled. Hunters are only authorized to hunt from their own stands. If caught tampering with someone else's stand you will be permanently banned from hunting on TAFB.
20. Stands may be put up or climbing trees flagged beginning 10 days before archery season. Stands and flagging must be removed within 10 days after the close of general gun season.
21. Individuals with a valid TAFB Hunting permit may scout the East and West units during daylight hours on non-hunt days. Weekend Only areas and the Flight Line Unit scouting is only allowed on weekends, holidays or base wide down days. Scouting on hunt days is allowed from 10:00 AM to 2:00 PM after obtaining a scout pass from the Check Station.
22. All hunters and anyone accompanying them, regardless of age, must obtain the appropriate TAFB permits and are required to check in at the Check Station. All hunters under the age of 16 years must hunt under the supervision of a licensed adult.
23. Hunting small game when in season is allowed on TAFB only on designated hunting days (see General Hunting Regulation # 2) and only with the season-appropriate weapon. The taking of fox squirrels, quail and black bear is prohibited.
24. Feral hog and coyote may be taken in any hunting season, with the season-appropriate weapon, with no bag limit.
25. Hunting in blocks 4C, 4D, 4E, 7C, 10C, 12B, 12D, and all Flight Line Unit blocks is limited to Saturdays, Sundays, and holidays.
26. The possession or use of dogs for deer hunting is prohibited except for trailing wounded game after notifying the Check Station operator. The dog must be on a leash and in control at all times. Dogs may be used for bird hunting but must be under control of the hunter.
27. Trapping and trapping devices are prohibited.
28. All persons hunting during General Gun Season and Muzzleloading Season (when deer hunting is open), are required to wear a minimum of 500 sq. inches of blaze orange **at all times**, with the exception of dove hunters in designated dove fields and waterfowl hunters hunting over ponds (hunters must wear hunter orange going to and from blinds and dove fields).
29. A **"Mature Buck"** on TAFB is defined as an antlered deer with at least three antler points on one side with each point at least one inch in length.

30. An "Antlerless Deer" on TAFB is defined as any deer (except spotted fawns) without antlers or a deer with antlers less than one inch in length.
31. "Deer of Either Sex" on TAFB is defined as any deer other than a spotted fawn.
32. Base housing residents are cautioned that archery hunting is authorized near housing areas and are advised to wear fluorescent orange or bright colored clothing while off of established roads or trails on any hunting day. A flier will be provided to Balfour Beatty Communities at TAFB for issuance to all housing occupants announcing hunting seasons.
33. GAME CAMERAS ARE PROHIBITED.

### Alligator Season

2. Legal to take: Mature Bucks in the East and West Units; Deer of Either Sex in the Flight Line Unit (see #29-31 of General Hunting Regulations); small game when in season, wild hogs and coyotes in all Units.
3. Antlerless Deer may be taken in all Units during Antlerless Deer Season or until the annual quota is reached.
4. Legal to use in Gun Hunt Blocks: Air guns (for gray squirrels only), Shotguns, Muzzleloaders, Long Bows, Recurve Bows, Compound Bows, and Crossbows. Legal to use in Archery Hunt Blocks: Long Bows, Recurve Bows, Compound Bows, and Crossbows.

### Small Game

1. A TAFB Small Game Only hunting permit is available to those who only want to hunt migratory birds and/or small game. **All access requirements as stated in the ACCESS section of this regulation must be met.**
2. With this permit, it is legal to take: squirrel, opossum, raccoon, coyote, armadillo, bobcat, and migratory game birds on designated TAFB hunt days (See General Hunting Regulation #2), and according to the seasons and limits designated in the State of Florida Hunting Regulations.
3. Legal to use in Gun Hunt Blocks: Air guns (for gray squirrels only), Shotguns, Muzzleloaders, Long Bows, Recurve Bows, Compound Bows, and Crossbows. Legal to use in Archery Hunt Blocks: Long Bows, Recurve Bows, Compound Bows, and Crossbows.

4. Dogs may be used for bird hunting but must be under control of the hunter.
5. Except for First Phase Dove hunting which is only allowed in designated dove fields, small game hunting is allowed in all designated Hunt Blocks with the appropriate weapon for the Block.
6. Waterfowl hunters hunting on Tyndall may only hunt on open hunt days in designated hunt blocks after checking in at the Hunting Check Station.
7. Waterfowl hunters accessing state waters from Tyndall must have a Tyndall Recreation, Small Game, or General Gun permit.
8. Waterfowl hunters may access state waters from within the controlled perimeter (as outlined in the Access section) only on open hunt days after checking in at the Hunting Check Station.
9. Waterfowl hunters may access state waters from outside the controlled perimeter (as outlined in the Access section) any day during the Migratory Bird season.

### Spring Turkey Season

1. Hunters must register IN PERSON at the Check Station during January and be selected from a random drawing the first week of February in order to participate in the TAFB Spring Turkey Hunt. Each hunter drawn will be eligible for a 2-day hunt. The number of hunters drawn depends on the turkey quota established by the wildlife biologist. Those drawn will be notified by phone or e-mail and will be told what days they were drawn to hunt. If a hunter is not able to hunt on the days drawn or if a hunter fails to pick up their packet before the season opens in March, the slot will be offered to the next person on the waiting list.
2. Once notified, hunters must bring their current Florida Hunting License and Florida Turkey Permit, if applicable, to the Check Station or Natural Resources Office to purchase their TAFB Turkey permit. This must be accomplished before the season opens in March or the slot will be forfeited. Once the permit is purchased, additional information pertaining to the hunt will be provided including the zone in which you will be allowed to hunt. Hunters must meet all access requirements as stated in the ACCESS section of this regulation.
3. Scouting is limited to Wednesday, Thursday and Friday immediately prior to the scheduled hunt.
4. Legal to take: One bearded turkey.
5. Legal to use: Shotguns, Muzzleloaders, Long Bows, Recurve Bows, Compound Bows, and Crossbows.

### CAMPING

1. Camping is only authorized at the following locations: FAM Camp (DoD only), Primitive Camp Area, and the Group Campground. Campers must meet all access requirements as stated in the ACCESS section of this regulation.
2. Camping permits for FAM Camp and the Primitive Camp Area are issued through Bonita Bay Outdoor Recreational Complex (850-283-3199). Contact Natural Resources (850-283-2822) for details regarding use of the Group Campground.
3. Non-DoD participants over age 16 must be vetted by Security Forces no later than 4 business days prior to the event. A list of Non-DoD participants, to include full name, social security number, date of birth, and driver's license state and number will be used to create an Entry Authority Listing (EAL) that authorizes overnight access for individuals that are not normally permitted on base for these short events.
4. Camping anywhere else on TAFB is prohibited without prior written authorization from Natural Resources.

### OTHER OUTDOOR RECREATION

1. Hiking is authorized on maintained roads, forestry roads, nature trails and hiking trails in designated recreation areas. Hikers must meet all access requirements as stated in the ACCESS section of this regulation.
2. Bicycling is authorized only on maintained roads and marked forestry roads, marked trails and marked firebreaks. For safety, biking is prohibited on firebreaks on open hunt days. Biking is prohibited on trails designated as hiking only.
3. Dogs are prohibited within areas posted as "Critical Wildlife Areas" on TAFB. In all other areas, dogs must be in the control of their owner and on a leash.

### FIREWOOD CUTTING

1. Authorized in designated areas only after purchasing a Firewood permit. Each permit is only good for 1 truck load of wood within 1 week of purchase.
2. Firewood may only be obtained for personal use.

### PERMIT INFORMATION

1. Prior to obtaining a TAFB permit, refer to the ACCESS section above for additional information.
2. Everyone engaging in hunting or freshwater fishing on TAFB is required to have the appropriate TAFB permit(s) and DBIDS identification card (for access within controlled perimeter).
3. TAFB permits will be issued at Building 4027 (Hunting Check Station at Sabre Gate) when manned during the hunting season. Otherwise, permits will be issued on Tuesdays at Building 1260 (Natural Resources Office) on DeJarnette Road between the hours of 8:30 to 11:00 AM and 12:00 to 3:00 PM or by appointment (850-283-2641/2822). Permits may also be obtained online at: <https://tyndall.isportsman.net/>.
4. Proper identification and appropriate State Licenses, Permits and Federal Stamps are required prior to issuance of TAFB permits. Cash or personal check are accepted; credit or debit cards are only accepted on line.
